Magnificent Walk 2018; *Friends of the Peak District*

Our annual Magnificent Walk will start and finish in the picturesque village of Holme, near Holmfirth. 20 beautiful miles from Holme - via the Pennine Way, to the large mill town of Marsden - then follow the Friends Peak District Boundary Walk back to Holme around the northern-most tip of the National Park via the spectacular Royd Edge and Digley Reservoir. A 15 mile route also available. Support the invaluable work of the Friends of the Peak District to protect our national park.

Meet at: Fleece Inn, The Village Holme near Holmfirth, HD9 2QG

Bus route: WY Metro 314 from Huddersfield

9am - 12pm

Blackamoor Nature Reserve Walk; *Norfolk Arms Ringinglow Walking Group*

A 5 mile walk which will take around 2.25 hours to complete. The first part of the walk takes us through Blackamoor Nature Reserve on our way to the outskirts of Topley, from where we take Moss Road on to Topley Moor and Brown Edge for our return to the start. There's a tricky downhill section on the way out, and a steepish uphill stretch to get us on to Topley Moor. There could be mud on Blackamoor and there is often standing water on Topley Moor. There is a £10 charge for the walk payable to the pub which includes tea/coffee before and after the walk, and a meal on our return too.

Meet at: Norfolk Arms, 2 Ringinglow Village, S11 7TS

2pm - 4pm

Shirtcliffe Valley Annual Bluebell Walk; Friends of Shirtcliffe

Annual Shirtcliffe Valley Bluebell Walk with leader Pat Howells. Why not join us on this popular event we are hoping for a really good show of Bluebells, and other Spring flowers. We will stroll through the Ancient Woodland and out along the Valley Bottom to Severnside Meadow. There, with a bit of luck (despite the damage caused by quad-bikers), there should be Red-Listed Adders Tongue Ferns popping through.

This is the halfwaymark, and walkers can either re-trace their steps to Schubert Bridge or continue on to Calcium Corner to look at the Reedmace Pool. From there we plan to stagger up the steep path to the Edge to admire the panoramic view, before following the Bridleway back to the starting point

Meet: Schubert Bridge (grid ref: SK 41997 85300)

This is on Beaver Hill Road, just below and opposite the Fire Brigade Training Centre. There is a bus stop nearby for the 52/52a service, and a small amount of car parking available on the grass verge by the Shirtcliffe Woods access gate.

Sail at Millhouses Pond (Yachts, Fast Electric boats and Scale Models); Sheffield Ship Model Society

Sail at Millhouses Pond (Yachts, Fast Electric boats and Scale Models) Sunday, Tuesday and Thursday morning, usually from about 9am we tend to finish once the paddle boats start coming on (ours and theirs don't mix!) During the year we will be having yacht racing, these will be on Thursday mornings, not every week and not when the kids are not at school, this is to allow the paddle boats to have maximum time as it normally takes a couple of hours when we start at 10am (we normally get a good crowd watching us) All are welcome to bring a boat down (it is a public pond) and we are very happy to give advice

Walk in Ecclesall Woods; *Sheffield Woodland Connections*

Gain confidence in identifying trees and woodland plants? Interested in woodland habitats and how people have shaped them through history? Find out more about how volunteers are managing the woodland today? Join Sheffield Woodland Connections as we guide interpretive walks through Ecclesall Woods. We will reveal the magic of the largest ancient semi-natural woodland in South Yorkshire. This walk is a free event. Maximum 25 people per walk. The walks will be approximately 90 minutes long and will stick to marked footpaths. Sensible footwear is a must as paths are muddy. All are welcome but the walks are not aimed at young children, although kids with a passion for learning about nature are encouraged to join us. Please meet us 10 minutes before the start time outside the Woodland Discovery Centre.

Phantom Architecture; *Sheffield Libraries*

The Great Buildings That Never Got off the Drawing Board. In his book Phantom Architecture, Philip Wilkinson discovers that some of the most exciting buildings in the history of architecture are the ones that never got built. A skyscraper one mile high, a dome covering most of downtown Manhattan, a triumphal arch in the form of an elephant: These are amongst the projects in which architects took materials to the limits, explored challenging new ideas, defied conventions, and pointed the way towards the future. Note start time of event is 6.45pm. Booking for this event is via www.sheffieldlibraries.eventbrite.co.uk

Crucible cellar; *Wessex Archaeology*

As part of this years Sheffield Environment Weeks, Wessex Archaeology offers a rare opportunity to visit the crucible cellars of the former Titanic Works, Malinda Street/Hoyle Street, Sheffield. This event will provide the chance to explore a once commonplace and important part of Sheffield's industrial past. Wessex Archaeology will be conducting four 1 hour tours of the crucible cellars, all free of charge, with each tour accommodating up to six members of the public. The tours will include exploring all three cellars with information about the steel making process, the

history and development of the site and their significance within Sheffield. Tours will need to be booked in advance due to limited space within the cellars. Please be aware that the tours are not suitable for those with impaired mobility or children under the age of 8 years. Suitable footwear (walking boots) is recommended. Any other protective clothing required will be provided.

Parkwood Springs Forest Garden;

This is a productive permaculture project. It is a young forest garden developed by Sheffield City Council in association with local volunteers. It has been designed to need only a small amount of external input. It requires weeding, mulching & pruning, the compost pile needs managing and spreading and best of all, there is often a lot of harvesting to be done. We meet in the car park on Cooks Wood Road at 10.45am and walk over to the garden for 11.00am. We have a break at 1.00pm, you can bring your own drink and snack or food to share. We usually make a hot drink too. We finish at around 2.00pm. All tools and appropriate training are provided. Wear sturdy shoes, warm clothes in winter, and come and join us.

Bounds of Bradway walk; Bradway Action Group

A free Walk of the Bounds of Bradway. This is a fairly recent annual tradition started by local amateur historian and long time resident Tony Smith. Part of the walk is on potentially muddy footpaths and is hilly in places. It will take about 2.5 hours and may be about 3 miles. Walkers will learn about the history of this small suburb of Sheffield, formerly part of rural Derbyshire. They may find corners they hadn't realised were there, may hear explanations of things they'd passed many times without noticing their significance. Walk is suitable for active people of all ages, including children with enquiring minds.

Parkwood Springs Forest Garden; *Friends of Parkwood Springs*

This is a young forest garden developed by Sheffield City Council in association with local volunteers. It has been designed to need only a small amount of input. Requires weeding, mulching & pruning, the compost pile needs managing and spreading and best of all, there is often a lot of harvesting to be done. Other than digging up weeds, it involves a no-dig approach to gardening. We meet in the car park on Cooks Wood Road at 10.45am and walk over to the garden for 11.00am. We have a break at 1.00pm, you can bring your own drink and snack or food to share. We usually make a hot drink too. We finish at around 2.00pm. All tools and appropriate training are provided. Wear sturdy shoes, warm clothes in winter.

HUNTER ARCHAEOLOGICAL SOCIETY

The Society is over a century old and was established to preserve and share the precious heritage of South Yorkshire and north-east Derbyshire. It is named after antiquarian Joseph Hunter (1783-1861) who was born and raised in Sheffield; he was the founder of our present archiving system and a prolific writer on genealogy and heraldry.

Society members enjoy talks and social events through the winter months, held in the Humanities Research Institute on Gell Street in Sheffield. We also organise a range of walks and visits to excavations and sites, as well as opportunities for practical work.

If you are interested in any aspect of archaeology or heritage, you are very welcome to come and join us - just drop in to any meeting or you can join for £15 a year at <https://sites.google.com/site/hunterarchaeologicalsociety/> (this includes regular newsletters and a copy of the Transactions every couple of years). If you want more information, please contact secretary@hunterarchaeologicalsociety.org.uk or 0114 2882640. We look forward to meeting you.

The 'Friends of Burngreave Chapel & Cemetery' group was set up "to make the cemetery and chapel buildings accessible to everybody and to educate and enlighten visitors into not only its history, but its wildlife, trees and plants, which overlap and interact."

The group, all volunteers meet every
Sunday 12noon – 2.00pm in winter
11.00am – 3.00pm in summer
- to help visitors to find particular graves
Everyone is welcome to join in any of our activities
